Attendance Counts

With over 10 years of experience in developing Electronic Roll Marking and Attendance solutions, our team of developers and educators, including a local Queensland presence, is well placed to meet the diverse needs of schools in managing school attendance and same-day notifications to parents regarding student absences.

Our **securely hosted, web-based** portal is accessible anywhere, anytime, and on any device.

Daymap Attend includes:

- Default settings based on attendance policy and best practice, **requiring little to no configuration** based on your school settings and needs
- **Advanced attendance management**, including custom groups, bulk notifications, and detailed reporting
- Easy use **roll marking tools** for teachers that work well on laptops, tablets and mobile devices
- **Same-day notifications** via email or SMS, using your preferred SMS provider
- **Student Records** including Late and Leave Passes, Uniform, Detention, Sick Bay and First Aid
- **Student Profiles** with contacts and student notes, and fast tools for finding student timetables and location.

Daymap Attend Benefits:

- Get off to a great start with our easy to follow **video tutorials** for each key Daymap Attend element, backed up by our experienced full time support team
- Consolidate your understanding with included **training sessions** for two representatives which cover both product use and example rollout plans
- Improve communication with parents by **real-time communication** about student absences.
